

Sponsorship Opportunities

The Prince Edward Island Snowmobile Association is very pleased to be the host of the 57th Annual International Snowmobile Congress. It will be the third time that the PEISA has had the privilege of hosting this event. The last time was in 2009 in Summerside and prior to that was 1994 in Charlottetown.

The 57th Annual International Snowmobile Congress will be returning to Canada for the first time since 2018. It is our pleasure to be hosting this event in Canada's smallest province. Similar to 2009, we will be asking our Provincial Snowmobile Organizations for their assistance in hosting this event.

In 2009 the Atlantic Provinces of Canada came together to host the Atlantic Canada Hospitality Night at the opening night of the event. This was one of the highlights of the Congress with many delegates still talking about the welcome reception put on by the four provinces which included Atlantic Canada seafood, music and other activities. The Ontario Federation of Snowmobile Clubs was the principal sponsor of the closing banquet and the Alberta Snowmobile Association was the title sponsor of the offsite lobster dinner event.

The 57th Annual Congress will be held on June 11th- June 14th, 2025 at the Delta Convention Center in Charlottetown. We appreciate any assistance that your organization may be able to help us with.

We have come up with a sponsorship program with different levels of support available.

- **Platinum Sponsor** → \$10,000.00 and above includes 4 registrations and a booth
- **Gold Sponsor** → \$7500.00 - \$9999.00 includes 3 registrations and a booth
- **Silver Sponsor** → \$5000.00 - \$7499.00 includes 2 registrations and a booth
- **Bronze Sponsor** → \$2501.00-\$4999.00 includes 1 registration
- **Merit Sponsor** → \$1501.00-\$2500.00
- **Friends Sponsor** → \$250.00-\$1500.00

The PEISA wants to thank you for your interest in partnering with us for this exciting event coming to Canada in June of 2025.

Thank You
ISC 2025 Committee
